### Description

A terracotta sculpture depicting the Virgin Mary holding the Infant Jesus, signed M. Normand on the base. A French work from the late 19th to early 20th century, in a naturalistic style blending gentleness, expressiveness, and religious sensitivity. The modeling is delicate: the head is slightly inclined, gestures are measured, and the drapery is flowing. The composition is simple and balanced, reflecting the Belle Époque taste for sacred figures imbued with humanity. In very good overall condition, with no visible restoration. Provenance: private collection
