

## Square Pendant In Gold And Aquamarine

350 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

### Description

Square yellow gold pendant, set in its center with a square aquamarine. The bail is concealed on the back of the pendant. Pendant sold alone, without its presentation chain. Main material: 18k yellow gold (750/1000), eagle's head hallmark.

Proportions: Height: approximately 12.8 mm, width: approximately 12.7 mm, thickness: approximately 3 mm. Net weight: approximately 1.6 g. Pre-owned gold and aquamarine pendant - Very good condition - Fully checked and inspected - Sold with a certificate of authenticity. Our opinion: this aquamarine pendant can be paired with the matching aquamarine earrings. To learn more See the product page for this square gold and aquamarine pendant online.
