780 EUR

Period : 19th century

Condition : Très bon état

Material : Marble

Width : 46 cm

Diameter : 46 cm

Height : 8 cm

Description

Frankly, a spectacular clover-shaped dish, made of marble, from southern Italy, 19th century. Unusual shape, of rare elegance. I own a pair, so this might interest someone... I think it's a dish used in cathedrals, churches... chapels. It could serve as a bowl, fruit bowl, trinket dish... truly functional. Shipping and quotes available upon request; documents will follow as usual.
