

Oyster Plates In Barbotine

Description

Set of 12 oyster plates in earthenware. Each plate is composed of six shell-shaped compartments in shades of brown, with a seventh compartment, imitating half a lemon, adorning the center. These plates are signed by the Sarreguemines factory, France. Circa 1950-1960. All 12 plates are in perfect condition. Please request a shipping quote via Cocolisen, specifying the city.
