### Description

Medici lamp in alabaster. The flared shape of the neck perfectly complements the splayed base. This harmony is enhanced by the generous curves and counter-curves. The fluted, twisted brass globe provides a striking contrast. The transparent alabaster retains its original color, which rarely ages so gracefully. Both the color and the veining bring presence and harmony to any home. Rare to find in such good condition. Screw-in bulb and wiring recently serviced. Delivery possible, but not included in the price.
