

An Antique Chinese Sculpture From The 19th Century, Made Of Chinese Walnut Wood

950 EUR

Period : 19th century

Condition : Très bon état

Width : 57

Height : 25

Depth : 18

Description

An antique Chinese sculpture from the 19th century, made of Chinese walnut wood, depicting the seven immortal deities. In Asian tradition, this sculpture, featuring the seven deities, is a symbol of good luck, longevity, and fortune. This object was originally used to support some decoration, which is difficult to define given the hollow at the top. The sculpture is present on both sides.
