Description

Early 19th-century wooden torchère, lacquered and gilded, with fabric lampshadeAn elegant early-1800s wooden torchère, finely carved and finished with lacquer and gold leaf. The sculpted tripod base and turned column feature rich decorative details typical of the period. The flared fabric lampshade provides a warm, refined light that enhances the classic appeal of the piece. Ideal as a statement lighting element for traditional interiors, period living rooms, or sophisticated décor settings.
