Porcelain Foot Warmer Called "stone Pig"

85 EUR

Period : 19th century

Condition : Très bon état

Material : Porcelain

Diameter : 23 cm

Height : 12 cm

Description

So why the nickname "stone pig"? (stone pigg in English) In any case, this object proved very useful, either by warming the bed (like a bed warmer with hot coals) or by providing some comfort and solace to feet bruised by the cold. A 19th-century object in superb condition.
