Description

NEVERS Late 18th Century Revolutionary Period Ref.: FC - 117 Tin-glazed earthenware plate with white slip. Polychrome patriotic decoration of a shield "W for Liberty" crossed by six flags at half-mast and surmounted by a fasces wearing a cap framed by two axes. In the reserve, a burning heart. This decoration is an evolution of the pre-revolutionary decoration known as "with flags". Late 18th century, revolutionary period. Diameter: 23 cm Very good condition. The plate rings perfectly. Bibliography: BONNET, Collection of Louis HEITSCHEL, p. 113, no. 145. Shipping via secure Colissimo. France: EUR15. Europe and Rest of the World: please contact us
