

Covered Broth Dish In 18th-century Chinese Porcelain From The East India Company

250 EUR

Period : 18th century

Condition : Bon état

Material : Porcelain

Length : 19cm

Width : 15cm

Height : 12cm

Description

A covered bouillon bowl in 18th-century Chinese porcelain. Export porcelain for the European market, known as East India Company porcelain. Qianlong period. Pattern with twisted handles and famille rose floral decoration. Good overall condition. Minor chip to the lid's handle, probably added later (a slight gap between the two pieces). A beautiful set nonetheless, in a piece of unusual shape. Any questions welcome.
