Description

A Flemish painting dating back to the 17th century depicting "La Pietà," executed using the oil-on-panel technique. Well-made, it is in good condition. Over time, it has been parqued to make it more stable and prevent deformation and movement due to temperature changes.

Examination with a Wood's lamp reveals some small retouching of the painted part. It will be sold with a regular invoice and a complimentary period frame, not an antique one, will be provided. Professional packaging and transport via reliable couriers are guaranteed for any shipping. Bank transfers are accepted. Shipping costs to be negotiated with the seller.
