

Manganese Plate With Lunéville Chinois Sauce - 18th Century

55 EUR

Period : 18th century

Condition : Restauré

Material : Earthenware

Diameter : 23,5 cm

Description

Lunéville Chinese Plate - 18th Century. A multi-lobed plate with a silver rim, decorated in manganese monochrome. Typical Lunéville decoration: Chinese figures shooting bows, a pagoda, and a butterfly on the rim. The plate has been repaired: numerous peripheral chips have been repaired, and there is one hairline crack (see last photos), which explains the low price.

Diameter 23.5 cm
