Description

A Louis XVI style console table in gilt and carved wood. The carving is exquisitely crafted. Early 19th century... The marble top is not original; it does not extend to the end of the console and does not touch the wall--the console was originally intended to support a trumeau mirror... We offer a selection of our items, most of which are in perfect original condition or have been restored by our skilled cabinetmakers, upholsterers, and gilders. We also offer a selection of items awaiting restoration, as we maintain a large inventory. These items can be restored to your desired finish by our artisans (choice of varnish, waxed furniture, armchairs and chairs upholstered in your fabric, etc.). We offer a very wide selection of furniture, and perhaps the piece you are looking for is not
