

Hunting Bayonet (18th-19th Century)

450 EUR

Period : 19th century

Condition : Bon état

Material : Metal

Length : 34 cm

Description

18th - 19th Century Spanish Plug Hunting Knife w Ebony Handle. This was likely made for hunting, the wider bowie blade would have been indispensable when hunting and large animal. The condition of this bayonet is excellent but the guard has a little looseness / play. Specifications: Length 34 cm
