

Frosts/mora Swedish Puukko Knife From World War Ii

300 EUR

Period : 20th century

Condition : Très bon état

Material : Metal

Length : 23 cm

Description

WW2 Swedish Frosts / Mora Puukko Knife. A well made and rarely seen Puukko knife with a slightly different design. The knife has wonderful horn grips, and the leather scabbard is in excellent shape. A nice hunting blade having a small curve towards the tip. These kinds of knives were made by Frosts and Mora and are some of the finest knives made in Scandinavian countries. Specifications: Length: 23 cm
