

## Large Bambara Mask From Mali

2 500 EUR

Period : 20th century

Condition : Etat d'usage

### Description

Large Bambara mask from Mali, with a characteristic face featuring a long aquiline nose, very simple and geometric, depicting a woman with a prominent breast in a frame reminiscent of their Senufo neighbors, adorned with cowrie shells (some missing). Beautiful patina from use, indigenous restorations, height 71 cm.
