Description

Wonderfully elegant, this is a pair of mid 20th century gilt metal and crystal chandeliers by Maison Baguès. Made in Paris in the 1960s. Since the 1860s, the renowned French luxury lighting atelier Maison Baguès has been producing pieces that are highly valued across the world. Each piece is hand assembled, using traditional techniques. Each light has twelve arms, with the light fitting in the shape of an open bud. Decorated with Bagues' signature crystal leaves and flowers - this pair are stylish chandeliers and will bring a sense of elegance to any interior. We actively look for pieces by Maison Bagués and we have - and can source wall lights and table lamps to complement these statement lights. Height 88cm to the top of the rod. The price includes standard rewiring - we can rewire to

specific instructions for any destination. The 'drip effect' candles on the bulb fitting can be replaced with plain card ones. Whichever you prefer. Talk to us about specific customisation - some small lamp shades perhaps. We supply a length of chain and suitable ceiling rose. If you have any questions about hanging chandeliers, please do not hesitate to get in touch.
