Description

Period: Early 20th centuryMaterial: Carved wood, gilded with genuine gold leafDimensions:Width: 127 cmHeight: 92 cmDepth: 6 cmDescriptionBeautiful bed headboard finely carved in wood and richly gilded with genuine gold leaf. The frame displays an elaborate decoration of scrolls, flowers, and vegetal motifs, characteristic of the Louis XV revival style, highly appreciated in the early 20th century for its refined ornamentation.The central section is upholstered with an elegant tone-on-tone damask fabric, perfectly complementing the richness of the gilding. The piece is highly decorative and suitable both for classic interiors and for more contemporary settings where a statement element is desired.ConditionThe headboard is in very good
