Description

Still Life with Games - circa 1940. Oil on canvas, signed "Nino BOSINI" and located "Roma" lower right. 50 x 67.5 cm. Minor lifting and losses towards the upper left (see photos), otherwise very good condition. I have found no information on the artist, probably Italian, who painted this canvas, but the image is rare and very original. The entire world of games is represented: playing cards, roulette, poker table, chips, chessboard and pieces, dominoes, and dice... An ideal painting for decorating a games room.
