

"the Rascals", A Mechanism Plate For A Magic Lantern, C.1850

200 EUR

Period : 19th century

Condition : Très bon état

Material : Glass

Description

Humorous "The Rascals" magic lantern slide. It consists of a wooden frame enclosing two hand-painted glass slides. On the first slide, two little boys grab the hairpiece of an elegant woman. On the second slide, the hairpiece is gone, and the woman finds herself without her chignon. Link to the website:
