### Description

Exceptional polychrome porcelain dish mounted on a finely chased bronze frame and resting on three claw feet. This porcelain piece, which can be used as a bowl or centerpiece, is entirely hand-decorated with a magnificent river landscape, waterfall, and a heron in the foreground. The dish is embellished with a double rim separated by small brass beads. Decorator's mark under the rim, see last photos. Dimensions: height with feet 10.5 cm, height of the dish alone 4 cm, diameter with rim 37.5 cm, visible diameter of the dish 34 cm. Shipping and handling costs EUR25 within mainland France; please contact us for other destinations.
