Description

An unusual French Samson Höchst style porcelain box, late 19th century, of rectangular form with a domed lid, the lid with a central painting of a gallant with a lady in a landscape, the sides with flower sprays, the lid and the tops of the sides bordered with a puce scale pattern, the interior white, with gilt metal mounts. Marks: Unusually, the base of this box has both a spurious Höchst wheel mark as well as Samson's own crossed "S" mark. We have never seen another example of both the Samson mark and a spurious manufacturer's mark on the same item. Measurements: Width: 8.7 cm (3.4 in) Depth: 7.2 cm (2.8 in) Height: 4.8 cm (1.9 in) Condition: Good. The lid does not close firmly. There is a very shallow slice chip (really just a glaze loss) at one corner of the base. Shipping/Import: EU
