

## Plate From Rambervillers (vosges) With A Bird - Early 19th Century

75 EUR

Period : 19th century

Condition : Restauré

Material : Earthenware

### Description

Rambervillers (Vosges) Bird Plate - Early 19th Century. Grand feu Rambervillers plate with eight lobes. Decorated with a bird on a branch. Rare decoration and presentation for Rambervillers. Plate similar to the one reproduced in the reference book. It has a crack and glaze defects (losses). Four repairs to chips and glaze losses. Nevertheless, it remains a very decorative piece. Diameter 22.9 cm
