

Antique Large Gilded Wooden Crucifix With Christ, 18th Century, Italy

550 EUR

Period : 18th century

Condition : Très bon état

Material : Gilded wood

Description

This is an antique altar or wall crucifix, dating back to the 18th century and made in Italy. Main Features Materials: The cross is made of carved and gilded wood, the figure of Christ is made of silvered wood. Style: It features typical elements of Baroque sacred art (18th century), such as the slightly shaped and decorated arms of the cross, though relatively soberly. Details: The figure of Christ shows his head leaning on his right shoulder and a loincloth knotted on his right hip. One of the lower extremities has a visible metal ferrule, suggesting that it may have originally been conceived as part of a processional cross with a stand. Cross size: H cross without ferrule 58 cm - H with ferrule 65 cm - W 46 cm - Christ 21 cm x 21 cm
