### Description

Large bedsheet whose embroidery beautifully demonstrates exceptional craftsmanship. The embroidery depicts numerous flowers on vines, delicately outlined with openwork motifs. The photos were taken against a teal background. The embroidery is highly raised, the central monogram is generously sized, and it is rare to find a bedsheet from this period with its two pillowcases. The set is made of a bright white linen blend. The pillowcases fasten with four mother-of-pearl buttons, and the bedsheet features wide embroidered borders. Dating from the late 19th century to 1900. Note: this set is in very good overall condition. Please look carefully at the photos.
