Description

Fishing Trip Return, 19th Century Oil on Canvas. Charming seascape depicting little girls by the sea, a fishing boat returning at their feet. Oil on canvas dating from the second half of the 19th century, depicting three little girls accompanied by their dog awaiting the return of the fishing crew. A beautiful, luminous, and pleasing composition. The three little girls wait at the foot of a fisherman's hut, gazing out to sea. Numerous fish and fishing utensils are piled at their feet. A dog sits in front of the hut, also waiting patiently. On the right side of the painting, a stormy sky can be seen over a sea animated by a few boats and figures in the distance. The colors are luminous, and one can sense the children's hope and anticipation in this composition. Attractive keyed stretcher and a beautiful frame in wood and gilt
