

Mid-19th Century Painted Wooden Playhorse

900 EUR

Period : 19th century

Condition : Bon état

Material : Painted wood

Width : 96

Height : 88

Depth : 31

Description

Graceful and unique playhorse, carved in wood and painted in oil tempera. The toy features a base with wheels, allowing for easy movement. The horse is depicted standing, with its mouth and tongue open, and with a saddle and bridle adorned with decorations reminiscent of Oriental art. A fabric ribbon is tied around its neck. This unique and elegant object will add a touch of antiquity and style to any space. Made in Italy in the mid-19th century. Dimensions: H x W x D 88 x 96 x 31cm
