### Description

COD 11427 Venetian bureau from the mid-20th century. Furniture finished for the center, carved, veneered, and inlaid in walnut, burl, maple, and beech. This tall-legged bureau, beautifully proportioned and beautifully designed, it can easily be placed anywhere in the home. The bureau comes complete with a working key, and features four small drawers and a central door (see photo). This bureau is difficult to find due to its size and quality, making it a favorite among antique dealers and interior decorators. It shows some signs of conservative restoration, but is structurally sound and solid, and is in overall good condition. As each of our products it will be accompanied by a certificate of authenticity and guarantee with photographic documentation. Visit our website [www.parino.it](http://www.parino.it), free shipping
