Description

This small Afghan rug was entirely handwoven by nomadic artisans using leftover wool from their previous creations. This ingenious yet traditional technique results in unique pieces where each shade of color is the product of a spontaneous and authentic blend. This design depicts a stylized portrait, typical of the artistic expression of nomadic weavers, combining simplicity, poetry, and great sensitivity. The variations in tone, the vibrant contrasts, and the naive motifs give this rug a singular and profoundly human charm. Compact and decorative, it can be hung on the wall as a small work of art or used as an accent rug to add a touch of character and history to your interior.A unique piece, imbued with culture, creativity, and tradition.Dimensions: 60 x 55 cmCondition: True
