Description

Arabia Finland - Ceramic Bowl - 20th Century. A Finnish bowl from the Arabia factory, featuring a rhythmic vertical relief decoration on the exterior, typical of Scandinavian modernist designs from the 1950s to 1970s. The piece is covered with a white glaze with a play of transparency and opacity. The mark "Arabia FHS Finland" is visible to the naked eye on the underside of the piece but difficult to capture in a photograph, a common characteristic of the cold stamps used by Arabia during this period. On display at Galerie Courcelles Antiquités, 41 rue des Acacias, in the 17th arrondissement of Paris.
