

Pair Of Large Capitals, 18th Century Marble Brackets.

1 200 EUR

Period : 18th century

Condition : Très bon état

Material : Marble

Description

Pair of hand-carved white marble corbels, or capitals. Main Details Material: White Carrara marble. Style: They feature a classic design with decorative scrolls and carvings reminiscent of acanthus leaves. The style has been identified as Louis XV-Transition in some cases, potentially dating back to the 18th century. Function: Corbels, or corbels in architecture, can have both a structural function (to support loads such as balconies or beams) and a purely decorative function. Condition and Provenance: Similar examples are often recovered as architectural salvage from period buildings. Dimensions: Length 63 cm - Height 33 cm - Depth 25 cm
