

Rare Mahogany Console Table With Winged Griffins, Early 19th Century

2 250 EUR

Period : 19th century

Condition : Très bon état

Material : Mahogany

Width : 118

Height : 79

Depth : 46

Description

A rare and beautiful Empire console table in mahogany, featuring winged griffins. It rests on two carved front legs with a bronze patina, depicting winged griffins, and two straight rear legs. All four legs support a mahogany veneer entablature edged with a blackened wood molding. A superb, original, entirely hand-carved white marble top crowns the piece.
