### Description

A superb modernist coffee table dating from the 20th century, featuring a remarkable veined marble top in shades of cream, pink, and gray. The polished and elegant marble boasts a unique natural pattern, characteristic of fine stones used in quality furniture. The solid, rounded chrome-plated steel base lends the piece a decidedly contemporary look. The combination of marble and metal creates a refined contrast, typical of modernist design and creations from the 1960s and 70s. With its soft lines, rounded corners, and strong aesthetic presence, this coffee table is an ideal piece for a designer, vintage, or contemporary living room. Period: 20th century  
Style: modernist / vintage design  
Materials: natural marble & chrome-plated steel frame  
Piece: elegant and decorative coffee table A chic
