Description

This pair of Italian armchairs from the 1970s, inspired by Art Deco, combines sculptural presence with exceptional comfort. Their angular wooden frames offer an architectural silhouette, while the new upholstery--a plush, heathered gray-beige fabric--provides a warm and inviting texture. Memory foam cushions provide remarkable support, and removable, washable covers make maintenance easy. The enveloping armrests enhance their contemporary look while reflecting the refined elegance of Italian design from that era. Bold yet versatile, these armchairs add character to a living room, reading nook, or lounge area. Sold as a pair or individually.
