Width : 70cm

Height : 70 cm

Depth : 24 cm

Description

A shelf that can be placed on a surface or hung on the wall, and which is perfectly self-sufficient... I mean, it's so elegant in its shape and proportions that it would be a shame to obscure it by filling it with too many knick-knacks. However, a few well-chosen items, a few books or miniatures, will lend it a touch of refinement. Shipping will be by courier, whenever possible; the price will depend on the destination.
