Description

Akoya pearl earrings, sourced from Japanese waters, embody a very refined elegance. Known for their impeccable roundness and unparalleled luster, these Japanese cultured pearls represent reflecting a heritage of sophistication and excellence. This is a pair of dangling earrings in 18-carat yellow gold and *Gold* Akoya pearls from the seas of Japan. Six (three on each side) micro-set diamonds at the earlobes give these earrings an assertive charm. Pearl diameter: 8.5 to 9mm Grade AAA pearls: Luster (shine): Brilliant Mother-of-pearl (thickness): Very thick Surface (cleanliness): Almost perfect Shape: Round Color: Gold (natural color) Homogeneity: Excellent Material: 750 yellow Gold (18 carats) length: 27 mm
