### Description

Louis Philippe style walnut office chair, made around 1900. In very good condition. Deep color and pronounced grain, beautiful waxed patina. Simple and clean lines prioritize comfort and sturdiness. The seat features traditional woven rattan caning, adding lightness. The curved back provides good lumbar support. The armrests end in a scroll shape. The front legs are turned with a gadrooned design, while the rear legs have saber-shaped feet, ensuring overall stability. The lower stretcher connecting the legs has gently curved shapes that follow the line of the seat. Seat height: 46 cm.
