Description

Silver-plated metal food warmer. This high-quality food warmer consists of two parts: the body resting on a tripod (3 feet) and its tray-shaped lid. Decorated with a gadroon motif and handles decorated with foliate shells. The body is openwork at the base and around the circumference, allowing ventilation and oxygen supply for candles or burners. Fully restored and re-silvered by a Parisian master silversmith. Tray diameter: 26 cm
