

Neoclassical Mahogany Chest Of Drawers, Late 18th Century

6 200 EUR

Period : 18th century

Condition : Bon état

Material : Mahogany

Width : 78

Height : 75

Depth : 43

Description

A neoclassical two-drawer chest with chamfered corners and tapered legs. The corners, legs, drawer fronts, and edges of the body are embellished with brass trim. The body is veneered in mahogany, with a symmetrical and structured design characteristic of the neoclassical style.
