

## Art Deco Brooch In Silver, Marcasite, Opal And Onyx

350 EUR

Period : 20th century

Condition : Bon état

Material : Sterling silver

### Description

Art Deco brooch in silver with marcasite, opal, onyx, and green glass beads. Swan hallmark. High-quality clasp with a small fold-over section to secure the pin. Beautifully crafted and in good condition; one of the small white rhinestones is tarnished, and there are minor signs of wear on the half-pearl in the center. Length 5 cm, width 1.9 cm, total weight: 11.5 g.
