Description

A captivating Caucasian kilim originating from Azerbaijan in the Caucasus. Handwoven wool on wool. Antique Caucasian kilims are characterized by their exceptional fineness, regularity, and suppleness. Another aspect is their sometimes rather simple composition. Here, a succession of horizontal bands with geometric patterns. Magnificent vegetal hues: blue, ochre red, sand... The presence of indigo blue is particularly noteworthy. A beautiful harmony, depth, and luminosity. A graphic and highly decorative piece. Very early 20th century. Excellent condition. Dimensions: 137 x 105 cm. Laurent
