

Soapstone Inkwell From Queyras, 19th-century Folk Art

200 EUR

Period : 19th century

Condition : Bon état

Material : Stone

Width : 7 cm

Height : 5,2 cm

Description

Typical Queyras inkwell made of soapstone, dating from the 19th century. It features a central hole for the ink and four slots for the quills. Decorated with geometric patterns, engraved on all sides and carved on the corners. A small original flaw (a hole) is visible in the photo. Initials were later engraved on the top. Good condition. Weight: 530g
