

Corner Piece In Pine

1 250 EUR

Period : 20th century

Condition : Bon état

Material : Pine

Width : 1,20

Height : 2,23

Description

Corner cabinet in light pine, Georgian style. The niche is arched and surmounted by a shell-shaped dome. A carved cornice in the Directoire style joins two fluted pilasters. Inside are three ornate shelves, patinated in a grey-green color. Below, two doors lead to an interior shelf.
