### Description

Neapolitan Chest of Drawers, Late 18th Century  
Elegant late-18th-century Neapolitan chest of drawers, crafted from fine wood with beautiful veneer work and refined inlaid decorations. The piece features the characteristic serpentine front, with three large wavy drawers adorned with intricate details. Cast bronze handles and key escutcheons enhance its refined appearance. The top surface, expertly polished, highlights the warm and rich wood grain. This chest stands out for its exceptional craftsmanship and harmonious proportions, emblematic of the finest Neapolitan cabinetry of the late 1700s. A highly charming piece, ideal for classic interiors and collectors.
