

## émile Gallé Vase With Clematis Decoration - Circa 1900

1 200 EUR

Period : 20th century

Condition : Bon état

Diameter : 9,5 cm

Height : 26 cm

### Description

An elegant, multi-layered glass vase signed Gallé, featuring a delicate design of flowering clematis, created using the characteristic acid-etching technique. The contrast between the glass layers reveals a remarkably refined floral composition, where sinuous stems, finely cut petals, and climbing foliage create a vertical movement typical of Art Nouveau. Good condition, no cracks, slight stains on the rim. Dimensions: - Height 26 cm - Width 9.5 cm
