promotional purposes is strictly prohibited and may result in legal action. NOTE: All our watches are checked by our watchmakers and refurbished to give them a second life and the best possible condition. Nevertheless, these watches are pre-owned and may show some scratches/signs of wear. Furthermore, when necessary, the dials are restored by a master craftsman. It is also possible that the dials have been, or are being, replaced in the past with service dials as part of our watch refurbishment process. As our timepieces are pre-owned, no guarantee regarding water resistance can be provided. We are, of course, at your service to provide you with the best possible information about the condition of these watches. RETURN POLICY: Due to numerous abuses, we wish to clarify that returns are accepted within 14 days, provided the item is returned in the same condition in which it was sold. The return is void and therefore invalid once the watch has been worn or damaged in any way (impact, broken or lost crystal, missing screws or any other part, water damage, etc.). Please remember that you are purchasing a high-end watch, and we recommend that you take the utmost care of it. This watch is not designed for sports, swimming, bathing, going to a steam room or sauna, or for any risky activity. Ref_784
