

Pair Of Earrings, Napoleon III

960 EUR

Period : 19th century

Condition : Très bon état

Material : Gold

Length : 4 cm

Description

Pair of Napoleon III period earrings, French work. The earrings feature gadrooned motifs and a central gold pearl within a double openwork oval design. They fasten with a swan-neck clasp. The setting is 18-karat (750/1000) yellow gold with a slightly rose-tinted finish, hallmarked with a horned eagle's head. Weight: 2.7 g, Length: 4 cm. In very good condition, these earrings are stylish and comfortable for everyday wear. Free registered shipping with insurance and signature confirmation within France, with invoice sent by email.
