

Art Deco Modernist Night Light, Shell-shaped Glass With Fins, 1930s

300 EUR

Period : 20th century

Condition : Très bon état

Material : Glass

Description

Rare shell-shaped nightlight with thick glass fins. The beveled fins are made of solid glass. The salmon-colored shell is in deep relief, creating a splendid contrast between the matte sandblasted glass and the glossy polished edges of the fins. Hand-forged iron base. Very attractive size. Circa 1930. Both the glass and the base are of very fine craftsmanship. Dimensions: Height: 23.5 cm Width: 17.5 cm Very good condition. Some wear to the fabric covering of the cord. Please note that I respond to all inquiries about my items. If you do not receive a reply from me, please check your spam or junk mail folder. Many other items are available to discover at my booth at the trade shows I attend. Follow my gallery to stay informed about new items and upcoming show dates... Any questions? I am happy to help.
