### Description

We present this elegant Italian desk dating back to the second half of the 20th century. An extremely refined desk, inspired by the Louis XV style and crafted from fine mahogany veneer. Featuring a captivating design with curved lines and slender legs, it conveys an air of elegance and lightness. Its distinctive shape is called "bean" because it resembles the shape of a legume. The front features three practical drawers. The top is covered in green faux leather and features an elegant gold leaf decoration along the edge. Splendid, finely chiseled gilded bronzes adorn the entire desk, adding a stunning visual accent. Consider that the desk was designed to be placed in the center of the room, offering great versatility in its placement. You can certainly consider placing this exquisite desk in an office,
