NOTE: All our watches are checked by our watchmakers and refurbished to give them a second life and restore them to the best possible condition. However, these watches remain pre-owned and may show some scratches or signs of wear. Furthermore, when necessary, the dials are restored by a master craftsman. It is also possible that the dials may have been replaced in the past with service dials as part of the refurbishment process. As our timepieces are pre-owned, we cannot provide a guarantee regarding water resistance. We are, of course, available to answer any questions you may have about the condition of these watches.

We remind you that you are purchasing a high-end watch, and we thank you for taking the utmost care of it.
